Team Handbook

A US Club Soccer Sanctioned League

Team Handbook

The goal of this handbook is to provide assistance to clubs, coaches and managers to insure the NorCal League operates smoothly and is a positive experience for all involved – players, coaches, managers, Club officials, and parents.

All Clubs are expected to know, educate and ultimately accept responsibility for all new coaches and managers who they allow to coach or manage a team in their Club. NorCal cannot allow Clubs to stay in our League if they allow teams into their Club over whom they have no control! All clubs must meet the following requirements; and are willing to follow Norcal Rules and Directives.

Quality – Clubs and their teams must be committed to striving for excellence as concerns play, sportsmanship, fields, referee's and the total soccer experience.

Director of Coaching - Clubs must have a named Director of Coaching listed on the Norcal Premier website with a working email address. The Director must be willing to remain abreast of their team's involvement in the Norcal Premier Soccer Programs.

Fields - Clubs must have at least one high quality field (5 time slots) per eight teams. Teams traveling long distances deserve to play on decent fields! Newer clubs or those that have had difficulty providing decent fields must submit proof of fields before their acceptance in the league. Teams may ask that they play all away games.

Referee's - Clubs must have enough licensed referee's available to cover their teams entered in competition. Newer clubs or those who have had difficulty providing licensed referees must submit proof of fields before their acceptance to the league.

Administrator - Clubs must have a Norcal Premier Administrator responsible for helping teams maintain their club and team information, including contact information, on the Norcal web site. Newer clubs or those who have had difficulty with their organization must provide an administrator with working contact information and attend a pre-season meeting before their acceptance to the league.

Good Standing - Clubs must be in good standing with Norcal Premier League.

During the past seasons, a few Clubs and coaches have been expelled from future NorCal competitions and others have been placed on probation. There is a very strong feeling among the NorCal member Clubs that there should be "zero tolerance" for players, coaches, and parents who either break the rules governed by Law 12; or behave in a manner that causes problems for other Clubs.

All teams and Clubs realize that the "purposeful" use of an "illegal player" – either not registered or too old – puts the offending team managers and coaches at risk as related to the liability and secondary medical insurance coverage. Furthermore, this type of "purposeful" action is a "breach of faith and honor" against all of the NorCal teams.

All Clubs and teams must consult the new section of the NorCal website that explains in detail, with examples, the rules concerning the loaning and borrowing of players; and the moving of players from team to team either within a Club or between Clubs.

Law 12 clearly states: a player, substitute or substituted player is sent off and shown the red card if he commits any of the following seven offences: Offences 1, 4, 5 and 7 are of necessity going to be decided by the judgment of the referees. However, offenses 2, 3 and 6 require, in all cases, an automatic "send off" and red card. A) Offense 2: is guilty of violent conduct B) Offense 3: spits at an opponent or any other person C) Offense 6: uses offensive or abusive language and/or gestures.

Hello Coaches and Managers –

On behalf of the Norcal Premier Soccer Board of Directors, I am very pleased and excited to welcome you to the 2010 NorCal Premier Soccer Season. Our goal is to provide your players, team and club an exciting season of soccer.

Norcal Premier Soccer is sanctioned by US Club Soccer. This is an organization created by and for competitive soccer clubs. US Club Soccer provides our insurance, our player passes and they provide a Player Identification Program for US National Teams.

US Club Soccer is our organization. Each US Club Soccer sanctioned club has one vote for the US Club Soccer Board of Directors. The US Club Soccer Board of Directors is made up of club representatives from around the country - each of whom must have at least a USSF B license.

Our partnership with US Club Soccer is beneficial because it allows our league and your club to operate flexibly, with player development as our focus.

Your teams and club have the ability to use the US Club Player pass. This pass allows you to roster up to 26 players for one team or move players from one team to another as needed throughout the year. This pass allows you to use the collective strength of your club to play your games and fulfill your League obligations.

We strongly encourage you to use the flexibility offered by US Club Soccer Passes as a tool for your player's development. We believe, when possible, you should use younger players from within your club when an older team needs players – rather than signing players from another club. We believe, when possible, you should use second team players with your first team, rather than signing players from another club. This is a common practice throughout the world and will help build club loyalty.

Another benefit is that you can sign player(s) to play for a season and experience what it is like to be on your team and in your Club.

We wish you the best of luck!

Sincerely, The NorCal Premier Soccer Board of Directors

Frequently asked Questions

PLEASE SEE HELP for Team Managers section of NorCal Web site for more FAQs.

Question: May I use a player from another club in a Norcal League/Cup if that club is not competing in the event?

Answer: You may only use players who are registered with your club. If the player is transferred into your club before the roster deadline they may compete with your club's team. However, you may not list the player as a guest player for competitions, they must be a player for your club.

Question: We have a class three team and a class one team. We would like to have some of the class three players on our NorCal Cup roster even though they play on a different team. May we do this?

Answer: As long as the players are registered with US Club Soccer in your club, they are on your approved 26 player roster, and they are not playing with their team in your age group, you may allow them to compete with your team.

Question: We have a player who plays up on the U11 team but the club would like her to play in her own age group as well. Is this allowed?

Answer: As long as the player is registered in your club, is the proper age and is on the teams 26 player roster, they may play with your team.

Question: May a U12 player play for their team as well as for a U13 team?

Answer: Yes, a player may play in their own age group as well as an age group up.

Question: We have a player who plays for a rival club but would like to play for us in the NorCal Cup. He/She is attending a US Club tournament in October. His club does not want to release him to our club. May we put him on our

roster?

Answer: No, the player must be registered under US Club Soccer with only one club. We recommend the player attends the tournament as a guest player.

Question: We are having trouble scheduling our match with our next opponent. What can we do?

Answer: Try to send an email to another officer in the club that you are trying to contact. Make sure all your communication is documented in the comments box for your game so Norcal can view the communication record. If you are still unable to get a response, contact the proper Norcal League or Cup coordinator so they can assist you in scheduling the match.

Question: We had a game scheduled and a team emailed to cancel the match the day before. We had referees and fields already lined up. What is the policy?

Answer: If a team cancels or forfeits a match, they must notify opponents 72 hours in advance or they will be charged with field and referee fees.

NorCal Premier Player Development Program US Club ID2

The goal of the NorCal Premier Player Development Program (PDP) is to assist Soccer Clubs in identifying, developing and showcasing their top players in a Club friendly manner. Our sessions are held, as much as possible, on non- competition days for the players.

Identify

We ask clubs and coaches to recommend their top players and others for inclusion into the PDP pool of players. The aim is to allow clubs to identify their top talent and thereby eliminate the tryout process at the district level. Once the pool is formed, players may be added into the pool or dropped from the pool.

Develop

We have offered sessions with coaches from Liverpool Football Club, Vincenza Calcio of Italy, Ajax Amsterdam, US National Team, Santa Clara University, University of San Francisco, PSV Eindhoven and more. These sessions offer players additional high level training opportunities.

Showcase

We plan to assist Clubs by showcasing Northern California's players to colleges, professional teams and national teams. Often the PDP players training is used as a part of our Coaches Education Program. We also recommend our top talent to the [US Club ID2 Program Regional Camps](#). This camp showcases players to the US National Teams Staff.

PDP Objective

- Create a pool of 25 to 30 of the top players in Northern California in the U-14 through U-18 age groups. Soon Norcal PDP plans to expand this program to the U12 age group!
- Give these top players extra educational opportunities: top coaches, training, sessions, and lectures
- Give the top players opportunities to make the national team
- To showcase the players to professional and college coaches

2010 – 2011 Red Card Procedure

Teams' Responsibility

It is the team's responsibility to ensure their Red Carded player(s)/coach(s) serve the game suspensions. Referee report must be sent in within 48 hours of red being issued. The players who have received a red card will be ineligible to play for a certain number of games depending on the severity of the offense. This will be noted on the roster. The roster will be automatically updated following the number of games needed to be served.

Referee's responsibility

All Club referees must provide Red Card report to the home team manager and NorCal Premier Soccer. It is important that the **NorCal Game ID#** number is included to PAD Chair: Alan Ramos

Automatic Suspensions:

Red Cards

All Straight Red Carded Player/Coach are automatically suspended for 2 games with the PAD committee reviewing and considering additional suspensions. This suspension is effective immediately.

Please note: The card carries over into other NorCal Premier Age Groups and Games. For example, if Coach A receives a card for his/her U12 Girl's game and Coach A has a game with his/her U15 Boy's team – Coach A is unable to coach this match.

Double Yellows

All double yellow carded players/coaches are automatically suspended for 1 game with the card being reviewed by the pad committee for further suspensions. For instance, a second card for dissent, especially involving swearing will most often result in additional game suspensions.

Please note: The card does not carry over into other NorCal Premier Age Groups and Games. For example, if Coach A receives a card for his/her U12 Girl's game and Coach A has a game with his/her U15 Boy's team – Coach A must serve suspension with U12 Girl's team.

When do suspensions take effect?

The carded Player/Coach must begin their suspension immediately in the next game(s). Even if the official suspension has not been awarded the one or two game suspension is effective immediately. It is the team's and club's responsibility to ensure this is followed. If the player sits out a match, they should fill out the form below for verification of the player or coach serving the suspension. Failure to provide verification could result in a forfeit.

Verification procedure

Teams must have signed verification form (see below). The form must be signed by the Center Referee and coaches of both teams, verifying that Player or Coach did not participate in game. Please copy and or scanned the referee report or game suspension form to: Alan Ramos at alannorcal@sbcglobal.net or faxed to Attn: Alan Ramos at 415-593-7697

If the individual picture is not on the ID card and the card is not laminated, the individual will not be eligible for the match. Referee Red Card Procedure

Referee's responsibility

1. All Club referees must provide Red Card report to the home team manager and NorCal Premier Soccer. It is important that the **NorCal Game ID#** number is included to PAD Chair: Alan Ramos

Verification procedure

1. Teams must have signed verification form. The form must be signed by the Center Referee and coaches of both teams, verifying that Player or Coach did not participate in game. Please copy and or scanned the referee report or game suspension form to: Alan Ramos at alannorcal@sbcglobal.net or faxed to Attn: Alan Ramos at 415-593-7697

Send Off-Reports

1. The Center Referee that issued a Send/Off (Coach or Player) should fill out the MS Word version of the NorCal Referee Send-Off Report (<http://www.norcalpremier.com/content/view/19/127/>) and E-mail that directly to admin@norcalpremier.com. By doing this we save a lot of time in determining whom the Send-Off Player/Coach is and what their game suspension is going to be. We need to do this quickly so the suspension information will be available to the affected teams and coaches ASAP.

2. Please do not retain the Coach's or the Player's Pass (that were Sent-Off) but return the passes to them after the completion of the game. All Send-Offs/Ejections and Suspensions will be tracked on the NorCal website and

that other teams in the same division/group will be notified of the infraction and the pending suspension.

3. Referee Coordinators please request that all your referees read and understand the Norcal Handbooks.
